“Words to Live by” – quotes from Mother Teresa of Calcutta 8/26/1910-9/5/1997

- It is easy to love the people far away. It is not always easy to love those close to us. It is easier to give a cup of rice to relieve hunger than to relieve the loneliness and pain of someone unloved in our own home. Bring love into your homes for this is where our love for each other must start.
 - Jesus said love one another. He didn't say love the whole world.
 - Let us not be satisfied with just giving money. Money is not enough. Money can be got, but they need your hearts to love them. So, spread your love everywhere you go.
 - One of the great diseases is to be nobody to anybody.
 - Peace begins with a smile.
 - The greatest destroyer of peace is abortion because if a mother can kill her own child, what is left for me to kill you and you to kill me? There is nothing between.
 - The success of love is in the loving – it is not in the result of loving. Of course it is natural in love to want the best for the other person but whether it turns out that way or not does not determine the value of what we have done.
 - There is more hunger in the world for love and appreciation in this world than for bread.
 - We can do no great things, only small things with great love.
- We need to find God, and he cannot be found in noise and restlessness. God is the friend of silence. See how nature – trees, flowers, grass – grows in silence; see the stars, the moon and the sun, how they move in silence. We need silence to be able to touch souls.
 - I want you to be concerned about your next-door neighbor. Do you know your next-door neighbor?
 - If you can't feed a hundred people, then feed just one.
 - In this life we cannot do great things. We can only do small things with great love.
 - Loneliness is the most terrible poverty.
 - We shall never know all the good that a simple smile can do.

BEGINNING EXPERIENCE: A RETREAT FOR GRIEVING SINGLES – The loss of a spouse through death, separation or divorce is one of life’s most traumatic experiences leading to nearly unbearable feelings of loneliness and grief. This weekend helps grieving single-again people journey through the darkness of grief toward the future with renewed hope. It offers an opportunity for growth through God.

The Beginning Experience program is presented by a team of people who have suffered the loss of a spouse and are willing to share their own experience to help others. A sense of community develops in an atmosphere of care and concern that is a hallmark of each Beginning Experience Weekend.

The next weekend will be held October 2-4, at the Gilmory Center in Moon Township. Payment arrangements and possible financial assistance are available. For more information, contact the Office for Family Life at 412-456-3160, or familylife@diopitt.org or make a confidential call to Susan Ackerman at 724-334-0118.
